
Study Tour to UK: Where Tradition Meets Innovation

Date: 18th to 26th June 2018

Location: London, United Kingdom

Type: Study Tours

The study tour was organized by the Engineering Sciences Team and supported by the IEEE OUHK Student Branch. The study tour was sponsored by the Subsidy Scheme for International Exchanges (OUIE) and Reaching Out Award (ROA). The objective of this study tour was to provide students of OUHK with the opportunity to:

- (i) Gain a better understanding of the current technological developments in UK;
- (ii) Exchange ideas with people who are in the academic and industrial sectors in UK;
- and (iii) Appreciate how tradition and innovation coexist in modern society.

The group visited various sites and universities including Open University, University College London, University of Oxford, IET London (Savoy Place), Smithfield Market, Morgan Motor Factory, Poppy Factory, Tower Bridge, Trafalgar Square, St. Paul's Cathedral, Hyde Park, Greenwich Observatory, Royal Air Force Museum, Transport Museum, British Museum, London Eye, and Buckingham Palace.
